BARBARESCO D.O.C.G.

COMMUNE: Treiso e Barbaresco

VARIETY: 100% Nebbiolo

HECTARES: 4,84 ha

If we could sum this wine up in a single word, we wouldn't hesitate to define it as "classic". As tradition suggests, this Barbaresco is the fruit of the assembly of several parcels of land, coming from some of our most beautiful vineyards.

The idea is that of naturally obtaining balance by harmonising different expressions, often contrasting ones. The result is a liquid expression of a terroir, tempting and typical, a synopsis of one Langa, that of Barbaresco, which moves in the glass, alternating between structure and elegance.
