LANGHE D.O.C. ARNEIS Blangé

COMMUNE: Vezza d'Alba, Castellinaldo, Alba

VARIETY: 100% Arneis

HECTARES: 80,00 ha

Blangé is the white side of Piedmontese wines; a product that defined an era, revolutionizing Langhe winemaking that was previously devoted exclusively to red grapes.

It is the product of a highly distinctive region, the Roero, and a desire to improve varietal recognition, as well as drinking pleasure. Blangé combines sustainable practices in the vineyard with a modern take.

Fruit and minerality, aromatics and balanced freshness, coexist in this white wine that has made enjoyment and versatility its trademark.
